

**2017 Annual Dinner & Auction
Saturday, May 13, 2017
Hotel Murano, Tacoma**

Dear Friends in the Community,

On May 13, 2017, Puget Sound Volleyball Academy and the Youth Empowerment Sports Foundation are holding its annual dinner and auction, our largest fundraiser of the year. We are kindly asking for business and individual support of the program through sponsorship or in-kind donations. Sponsors will be recognized in publications, PSVBA website for the event throughout the year, advertising in the auction catalog, and the 2017 PSVBA Yearbook. There are many different levels of support available which are detailed on the following page as well as in-kind donations that includes goods or services to be auctioned (Live & Silent auction). All donations are greatly appreciated and may be tax deductible.

The benefits from this event are two-fold. First, the auction event will bring together members of our community, alumni, current families, coaching staff, volunteers, business associates, and friends in celebration & recognition of young women in sports. Secondly, all proceeds from the event will go towards supporting the academy's programs that enhance the training and educational experience of the children at PSVBA. Last year, this event raised a little over \$15,000 to support our student athletes with tuition dues, travel expenses to the 2016 Girl's Juniors National Championship in Indianapolis, and several local volleyball school programs through donation of equipment, apparel, event sponsorships, and financial assistance to at need families.

About PSVBA & YES! Foundation

Puget Sound Volleyball Academy (PSVBA) is a non-profit premiere junior volleyball club, well known for our longevity and ability to consistently produce elite-quality junior volleyball teams and athletes in Washington State since 1989 servicing King, Pierce, & Thurston Counties. The Youth Empowerment Sports Foundation (YES!) is a 501(c) 3 Non-Profit Organization dedicated to evolving the lives of young women through team sports and mentoring.

PSVBA & YES! Foundation goes to great lengths to promote the sport of volleyball and to develop our junior athletes. We believe that athletics contribute significantly to a child's development. We would like to make our brand of club volleyball a reality for as many children as we can and to be a leader in the sports community by delivering and supporting initiatives that promote academic excellence, teamwork, healthy lifestyles and stewardship through mentoring. Over the years, we have excelled at creating opportunities for our student athletes to pursue a higher education through the sport of volleyball. In partnership, we establish a foundation that encourages our student athletes to make responsible choices and become life-long learners in our community.

Please consider making a generous contribution to our special event. Thank you for your time, interest, and generosity in supporting our junior programs.

Best Regards,

Jessica
