

## **FACILITY RULES FOR POWER LEAGUE**

As COVID-19 continues to impact our globe, the safety of PSVBA's staff and all the teams participating (athletes, coaches) is our top priority. As a club, it is our due diligence to take preventative actions during competition events at our facility to minimize the risk level, prevent the spread of COVID-19 in our community, and keep our participants and staff safe and healthy.

### **Location**

Our facility address is **4918 – 20<sup>th</sup> Street E, Suite B, Fife, WA 98424**. We are located behind the Foothills Furniture Store. Drive to the back of the building to find us.

### **Parking**

You may park in any of the 40+ vacant parking stalls at the back of the building unless marked "No Parking". There is available parking along the traffic cones facing the dock doors and in the adjacent truck yard parking lot. Do not park in the alley or in non-designated areas along the building as this is also a fire lane. Do NOT BLOCK the chain-link gated entrance to the adjacent trucking yard at any time! Vehicles that block or are parked in the truck yard entrance area may/will be damaged due to incoming semi-trucks! PSVBA & the Trucking Company will not be held liable for damage or loss of vehicles! We also have hundreds of parking stalls that are available during non-business hours at the front of our building. Do not park in the 8 stalls marked for "Foothills Furniture" in front of the furniture store, but any other open spot at the front of the building is acceptable to park.

### **Team Check-in**

Team check-in will open 1 hour before the 1<sup>st</sup> round of play (usually 8 am for a 9 am start). Teams should check-in together when all members of the team are present. Only persons listed on the official team roster will be allowed to check-in at that time. All coaches and players must complete the health screening attestation using the QR code and must be on the official roster for entry. ID verification will be required for all coaches. The team check-in will occur at the main office entry into the facility. Once teams have checked in, coaches and players will only be allowed to enter/exit the facility through the Gym Entry.

### **Spectator Check-in**

PSVBA will not be limiting the number of spectators per team but will only allow spectators into the gym when their team is competing due to limited building capacity, restroom services, and spectator seating. Spectators will still be required to vacate the facility after their match is over. Teams that are officiating do not count as competing on the court, and their spectators will be required to vacate the gym until they are back on.

Spectators will be allowed to enter the facility 15 minutes before the 1<sup>st</sup> round of play (usually 8:45 am for a 9 am start) or after the team check-in has been completed. All spectators must complete the health screen attestation using the QR code prior to entering the facility for the first time. Spectators will only be allowed to enter/exit the facility through the Gym Entry.
